Notes

Please make sure you have checked the appropriate box in Section VI and signed your name in Section VIII.

Mail the completed form to: Adventurer Ministries, (Mail to your conference Adventurer Director.) Section

VI deals with unlawful conduct. This section has been included to protect the Adventurer Club members from abuse and protect the Seventh-day Adventist church organization from recommending any staff member who has a problem in this area.

If the conference Adventurer director recommends the applicant, information in Sections I through V will be copied and sent to the local Adventurer Club for the director to use in determining staff qualification. If the applicant has not been approved, none of the information will be forwarded.

When a local club director requests a recommendation from the conference Adventurer director, he/she may not release any specifics and may respond only with 'recommended', 'not recommended', or 'recommended with conditions noted'.

All information on this application will become a permanent record and should include updates. In the event of accusations against the applicant, opportunity should be given for response by the accused. This response also becomes a part of the record.

We regret having to include a section on unlawful conduct, however, understanding the epidemic proportions of this problem, it becomes necessary to create a data base to protect child, parents, Adventurer staff and the church.
